

Presbyterian Welcome

Supportive Organizations:

List in Formation

Presbyterian Welcome works for the full participation of individuals in contexts of faith, regardless of sexual orientation, gender identity or expression.

As followers of Christ, convinced by Scripture, we labor for a world where all persons might live into the calling that God has placed in their hearts.

We are a resource, training current and future leaders of church and society. Presbyterian Welcome is based in New York City and supported by member congregations and individuals.
